

WEBINAR

IMPORT OF PHARMACEUTICAL PRODUCTS IN THE NEW NORMAL

14.30 - 15.30 (GMT+7), Friday 25th of June 2021, Zoom meeting

Curious about the legal framework of importing pharmaceutical products to Lao PDR?

Join our webinar to gain practical insights and learn about the relevant regulations in place, particularly on general pharmaceutical products. In addition, we will address the topic of importing COVID-19 vaccines to Lao PDR considering that its government has recently authorized the country's private legal entities to import these vaccines for non-commercial uses and inoculate their respective employees.

Pharmaceutical products and medical equipment may be imported to Laos. According to the country's regulations, this process entails a special logistics requirement and a specific license, the latter of which is issued upon the approval of the Ministry of Health's Food and Drugs Department.

The import of pharmaceutical products and medical equipment

To address the topic of importing pharmaceutical products and medical equipment to Laos, ECCIL Eurocham Laos; its **Platinum Sponsor, Savan Logistics Co., Ltd** Company; its member **Tilleke & Gibbins Lao Co., Ltd** and **Viengthong Pharma Company**; are organizing a webinar called "Import of Pharmaceutical products in the new normal".
