THAILAND, the Next EV Hub

Key investors and companies such as BYD, BMW, SAIC, and Toyota have already entered the Thai market, and with the government's support, we are seeing over 20 innovative EV projects that are set to revolutionize the way we travel and make Thailand the EV Transition Hub in Southeast Asia.

Unite Global EV enthusiasts in Bangkok to Propel the eMobility Revolution

The **Asia EV Technology Summit Thailand 2024** enters its 2nd edition as a premier gathering, assembling more than 300 senior-level executives representing car manufacturers, government officials, EV battery producers, and technology partners globally. Themed "*Empowering Tomorrow's Drive: EVolution in Thailand 2024*" the summit is dedicated to encapsulating the latest trends, innovations, technologies, and solutions in EV investment, car design, engineering, EV technology, battery innovation, charging stations, and overall readiness for the EV transition.

With a roster of over 30 speakers and panelists, the summit promises insightful presentations and debates, serving as an exclusive platform for influential voices and key players across the entire EV spectrum to converge at the highest echelon. Complementing the conference, the event will feature dinner sessions, networking opportunities, and private meetings to foster collaborations among attendees.

The summit is not only confined to discussions but also includes an exhibition spotlighting the most innovative and pertinent solutions, spanning battery technology, car design, ADAS, advanced engineering, charging systems, and more, representing a global array of advancements in the electric vehicle domain.

0900	Opening Remarks + Keynote Accelerating Thailand's Fast Charging and Intelligent Management Speaker : Padsaworn Wannakarn - Chief, EV Charging Station Installation and Maintenance Business Department at <i>Electricity Generating Authority of Thailand (EGAT)</i>
0925	Presentation Slot Reserved for Event Sponsor
0945	Panel Discussion Driving Sustainable Growth in Thailand's EV Market and Investment Panelist : Luca Bernardinetti - Chairman & Managing Partner of the Mahanakorn Partners Group and Chairperson of the Business Economics Committee at AMCHAM Thailand Dr. Chatchai Thnarudee - Board of Directors at <i>Digital Government Development Agency (DGA)</i>
1030	Morning Tea Break
1100	Presentation Slot reserved for Event Sponsor
1120	Panel Discussion Empowering Electric Mobility – Evolution of Smart Mobility and The Infrastructure Moderator : Tongkarn Kaewchalermthong - Chairman of Transportation and Logistics WG, <i>ASEAN Federation of Engineering Organizations (AFEO)</i> Panelist : Michael Wang – Head of Aftersales, Southeast Asia Region at <i>ZEEKR Thailand</i> Worapoj Ruenrerngwong – Founder, CEO of CHOSEN Pipat Tangsiripaisan - Co-founder & Chief Engineer at <i>MuvMI</i>
1200	Presentation Slot Reserved for GROB Asia Pacific Speaker : Wedler Uwe – Managing Director at <i>GROB Asia Pacific</i>
1220	Lunch Break

1330	Presentation State of the EV Landscape in Thailand
1350	Presentation High-end Film For A Better World: BSF For Batteries Boosting The E-mobility, Ultra-thin BOPP Film For Capacitors In Charging Stations Speaker : Xaver Sedlmeier - Sales Director at <i>Brückner Group Asia-Pacific Co., Ltd.</i> Stefan Königsreuther - Head of Sales Speciality Films at <i>Brückner Maschinenbau GmbH</i>
1410	Panel Discussion Guiding Innovation on Shaping Thailand's EV Futures Moderator : Virat Patel - Managing Director at <i>Pioneer Consulting Asia-Pacific</i> Panelist : Xianli Zhang – Automotive Product Planning Manager at <i>Great Wall Motor</i> Tanawat Pornpimarn – Manager OTD at <i>Kia Sales (Thailand) Co., Ltd.</i> Suroj Sangsnit – Executive Vice President of <i>SAIC Motor CP</i> and Vice President for Industry & Business Development of <i>Electric Vehicle Association of Thailand (EVAT)</i>
1455	Afternoon Tea Break
1525	Presentation Catalyzing Growth: Public-Private Collaborations in Expanding Charging Infrastructure
1545	Fireside Chat The Smart and Connected EV landscape
1605	Closing Remarks
1800	Dinner Session (open for Sponsorship)
2000	End of the Event

0900	Opening Remarks + Keynote Integrating Smart City Infrastructure with Electric Mobility: Strategies for Sustainable Urban Development Speaker : Dr. Non Arkara – Senior Expert in Smart City Promotion at <i>Digital Economy Promotion Agency (depa) and Smart City Office, Thailand</i>
0925	Presentation Slot Reserved for Event Sponsor
0945	Panel Discussion Exploring Future Frontiers in EV Battery Chemistries Moderator : Supawat Suksantiswad – Corporate Venture Capital Investment Lead at <i>PTT Exploration and Production Public Company Limited (PTTEP)</i>
1030	Morning Tea Break
1100	Presentation Slot Reserved For Event Sponsor
1120	Panel Discussion Revolutionizing EVs: The Era of Smart Charging and Intelligent Battery Management
1205	Presentation Slot Reserved For ZEISS
1225	Lunch Break

1335	Presentation Showcasing Breakthroughs – Prototypes and Next-Gen EVs
1355	Presentation Slot reserved for event Sponsor
1415	Presentation Charting the Path Forward: The Future of EV Battery Technology in Thailand
1435	Afternoon Tea Break
1505	Panel Discussion Sustainable Practices in Battery Manufacturing: Embracing Circular Economy Principles Moderator : Jaume Creus – Investment and Trade Advisor at <i>The Economic and Commercial Office of the Spanish Embassy in Bangkok</i> Panelist : Bancha Yatip - Energy Carbon Management, Stakeholder Manager at <i>Future Energy Corporation Co. Ltd. (Gunkul Engineering PCL)</i> John Kwon - General Counsel Global Legal & Strategy at <i>Contemporary Amperex Technology Co., Limited (CATL)</i>
1600	Closing Remarks
1800	Dinner Session (open for Sponsorship)
2000	End of the Event

- Delegate List with contact details will exclude those delegates who wish their contact details not to be shared to the sponsors.
- The price is VAT inclusive, however in case there is any withholding tax, it will be billed on top of the price.

WHO CAN REGISTER FREE OF CHARGE?

CXOs/ Directors from

1. Car producers/ OEMs/ Project Owners
2. EV Producers/ Battery Producers
3. Gov Officials

eMobility series conference is the decision makers' gathering for EV battery, EV solutions and clean transportation sector. At our events, you will join global battery and EV leaders in mapping the future of electric transportation. We will present attendees with 120 world-leading organizations, cities, and technology providers due to speak, sharing best-practice case studies, and exhibit the most exciting innovations in EV ecosystem.

It's very exciting and encouraging to see 300+ delegates and Microsoft being one of the sponsors. It was great to see the energy and trying to understand the local trends and what is on top of mind of our clients. We're at the brink of industry revolution, and clients need to think out loud about how to serve their customers better. We've talked about customer experiences, empowering employees, business operations and optimizations and they way to transform its products. It was an eye opener that the customers are looking at digital channels as part of its strategy, and we love to make sure they use technology to maintain their advantages.

Akkasha Sultan
<Microsoft Dynamics 360>

The event was very good, a good mix of automotive professionals with insightful speakers and an overall satisfying experience, interesting insider information and view, looking forward to next summit.

Simon Chandra
<Pair DesginStudio>

The Southeast Asia Automotive Technology Summit was a very Informative conference which provides cross-region insight and good networking platform for automotive players, thank you for having me.

Chong ChoonHeng
<Robert Bosch Automotive Steering>

The Summit is related to technology in automotive, fantastic presentations from varies speakers and panelists, it was a very pleasant event to attend, a lot of learnings and showcasing of new technologies and thank you for having me.

Fachrur Rozi
<Mazda Motor Indonesia>

EV Battery & Charging Ecosystem

- Critical Minerals for EV Battery
- EV Battery
- Battery Production
- Battery Safety Engineering
- Battery Safety Solutions
- Sustainability & Recycling
- EV Charging Station
- EV Quick Charging Solutions
- Battery Swap Technologies

Connected Cars, Digital/ Autonomous Solutions

- AV Control Systems

- Car Sensors
- Lidar enabling solutions
- ECU/ Software
- Precise positioning
- Data service platform

Design & Advanced Manufacturing

- Car Design Solutions
- Modeling & Simulation Solutions
- Advanced Manufacturing Solutions
- Robotics
- Automation Solutions
- Data Analytics & Industry 4.0
- Smart/ Intelligent Factory
- Testing & Quality Management

EV Distribution Sales/ Services

- EV Import/ Export
- EV Sales & Marketing
- EV Services, Maintenance
- Car Distribution Solutions
- Social Media & Branding
- Solar + Storage + EV Charging
- Car Finance
- Infrastructure
- Others

Car Technology, Materials, Parts

- EV Powertrain
- Traction Units & Motor Technologies
- Battery Management System
- Telematics
- Thermal Systems
- Car Components, Parts
- Tier 1/ Tier 2/ Suppliers
- Car Interiors
- Audio, Entertainment Solutions
- ICT/ Connectivity

Top Reasons to Sponsor/ Exhibit

SHOWCASE

Showcase your brand as being at the forefront of a rapidly growing market

PROMOTE

Promote your products to a professional, focused and selected audience

MEET

Conduct meetings with current clients and seek out new business partnerships

RELATIONSHIP

Build and strengthen your business relationships with current and future customers

REACH

Reach an audience of decision-makers from all segments of the retail and ecommerce industries

GENERATE

Generate new sales leads from local and international decision makers

SELL

Sell directly to the retail and ecommerce players and contractors during the event

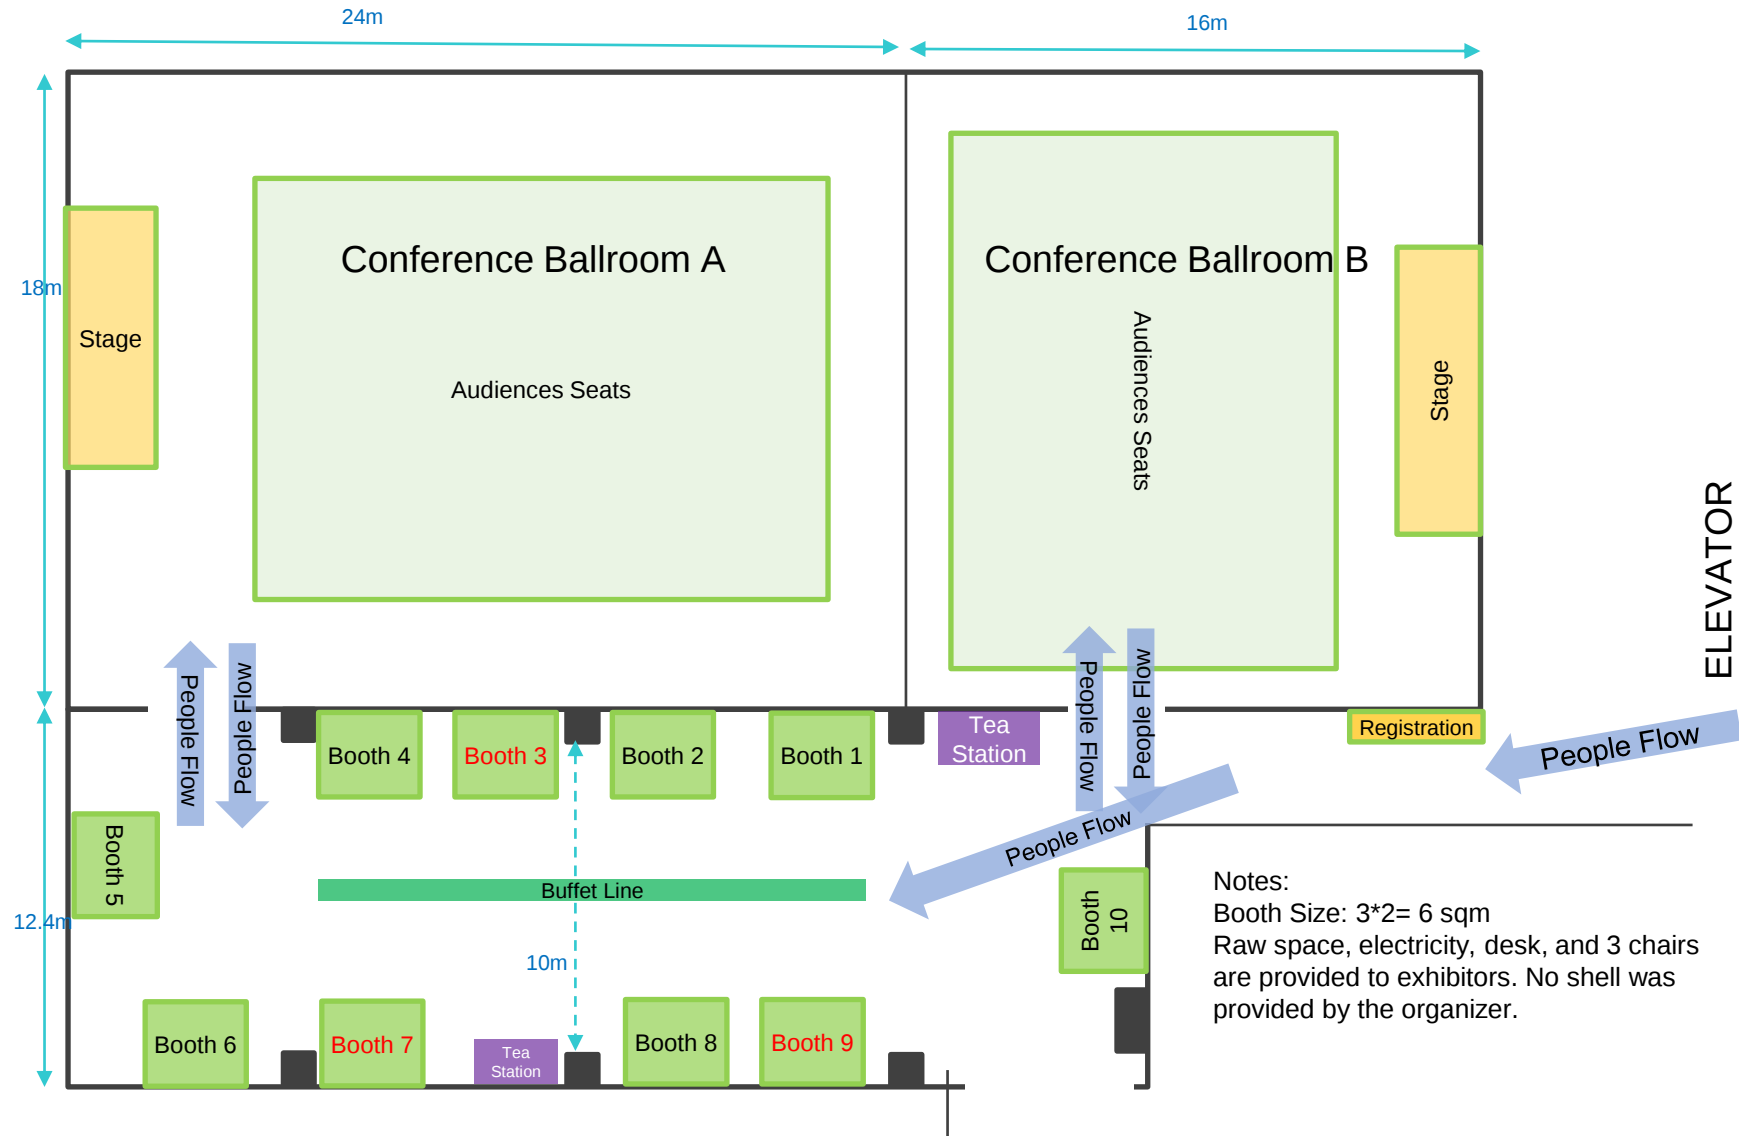

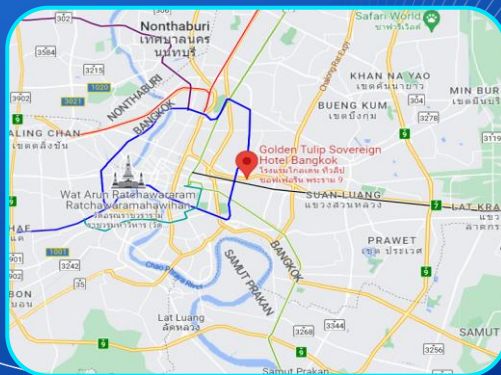

Golden Tulip Sovereign Hotel Bangkok

92 SOI SAENGCHAM - RAMA 9 ROAD - HUAY
KWANG, 10310 BANGKOK, Thailand
