

European Association for Business and Commerce

Message from the President Annual General Meeting 2021

26 April 2021

Dear Valued Members of the EABC,

As Thailand navigates a third wave of COVID-19, the EABC would like to extend its strong support and encouragement to all its members. Each wave has been a test for any organization's resilience and ability to innovate, but we remain certain that the European and Thai business communities will emerge stronger from the crisis.

Despite the current circumstances, we are pleased to inform our members that the EABC remains financially sound, and have enclosed the EABC's 2020 audited financial statements for your perusal (which are also posted on the EABC website [here](#)). The audited financial statements are unanimously endorsed by your board. It is my great pleasure to thank all members who have graciously supported the EABC's efforts over the past year, and we look forward to providing our members with another year of quality events and policy advocacy.

Looking to the future, the EABC expects to hold the 2021 Annual General Meeting on June 10th, 2021 at 18:00, followed by a networking dinner. The meeting will preferably be in-person, but if circumstances dictate otherwise, it will be held digitally.

We will be in touch again with plenty of notice.

We wish everyone the best, and look forward to the coming months with optimism and hope.

Sincerely,

Luca Bernardinetti
President
