

Bangkok, Thailand – 10 August 2021

Subject: INTERMACH and MTA Asia Rescheduled to 18-21 May 2022

Following recent and ongoing developments in Thailand, the organiser of INTERMACH and MTA Asia has taken the difficult decision to reschedule the 2021 trade show (scheduled for September 2021) to 18-21 May 2022.

This decision was not taken lightly and driven by two major facts:

1. The new dates will allow more time for infection rates to come under control and for recovery of the industry. We want to give everyone the time they need to prepare for a successful event and by early 2022.

2. Our primary concern is creating a safe and secure environment for our community to meet and do business. We feel that by rescheduling the event to 2022, we will be able to offer the high-quality event with regional visitors and business opportunities you've come to expect from us.

Both of these factors have led the organiser to the conclusion to reschedule INTERMACH and MTA Asia. Exhibitors will be contacted by the Sales Teams to discuss their rescheduling options. In the meanwhile, we will continue to provide more solutions for the industry and community through our digital platforms during **20-27 September 2021**. We are sure this will help our community sustain their critical business conversations and engagement.

We would like to thank those who participate and support INTERMACH and MTA Asia and we greatly appreciate your patience and understanding. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you again in 2022.
