

8 SIMPLE STEPS TO ATTEND ITAP 2021 PHYSICALLY!

The conversations that are going to drive your business forward are now more dynamic and efficient at ITAP 2021 physical exhibition this November! We know you are excited yet concerned on your travel to Singapore. Fret not, we've got you covered with 8 simple steps to attend ITAP 2021 physically @ Singapore EXPO!

BEFORE DEPARTING TO SINGAPORE

1 REGISTER YOUR VISIT

Register your participation to ITAP 2021

- Attendees from Brunei Darussalam, Canada, Mainland China, Denmark, France, Germany, Hong Kong, Italy, Macao, Netherlands, Spain, Taiwan, UK & USA, please apply your entry to Singapore via safe entry website <https://safetravel.ica.gov.sg/>
- Attendees from the rest of the world, please register and submit your interest to attend physically. We will contact you if your residing country is eligible to travel into Singapore

2 TRAVEL ARRANGEMENT

- Apply for visa (if required).
- Make necessary travel arrangements with our appointed Destination Management Company (DMC). For more information, please refer to **TRAVEL & ACCOMMODATIONS**
- Purchase travel insurance that covers Covid-19-related medical expenses.

3 PRE-DEPARTURE TESTING REGIME

- Take a pre-departure COVID-19 PCR test within 48 hours before departure, at an authorized medical institution.
- Obtain a certificate for your negative pre-departure **COVID-19 PCR TEST RESULT IN ENGLISH**, stating:
 - Your name as per passport
 - Date of birth as per passport
 - Date of PCR test and result
- Bring along Vaccination Certificate for immigration clearance.

4 CONTACT TRACING

- Download and install the TraceTogether app on your phone;

or rent a TraceTogether-compatible device from Changi Recommends.

ON-ARRIVAL & IN-SINGAPORE

5 ACTIVATE TRACETOGETHER

- Activate your TraceTogether App upon arrival to Singapore airport.
- Keep your TraceTogether app on your mobile device for 21 consecutive days after departure from Singapore.

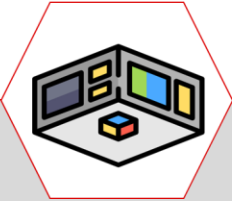

6 ON-ARRIVAL TESTING REGIME

- Take the on-arrival PCR test in the airport.
- Travel straight to your designated hotel via private transport
- Stay in your hotel room until your negative on-arrival PCR test result is received
- Abide to the instructions from local health authorities

7 ATTENDING ITAP @ SINGAPORE EXPO

- Daily Pre-event Testing (PET) is mandatory, and to be conducted onsite at Singapore EXPO
- Abide by the event timings, timeslots for business meetings and leisure (shopping, tours etc., where applicable), boundaries of the event precinct.

8 ABIDE SMMs

- Abide by the onsite Safe Management Measures
 - Mask on at all time
 - Maintain 1m safe distancing
 - No F&B at booth and exhibition area
 - Practice good hygiene
 - Minimise handshake during networking
- For more information, please refer to the FAQs below
- Follow the testing regime closely (departure or post-departure, if any) required by local health authority.
